NOTE FROM: JANE PRINCEP

Subject: UPDATE FOR SUP ON 1010

There is the update as discussed on Saturday. I want all of the most parts delivered before the 10:10pm air release. I have told Oliver that we can not do that. The sequence has to be 1) meeting; 2) release of hostages; 3) delivery of most parts. The President is getting quite discouraged by this effort.

This will be our last attempt to make a deal with the Iranians. Most stop in a Frankfurt meeting with Gorbachev. 10:10 and 10:11. Sorry for the uncertainty.
